# Ceremony

## Overlooking The Blue Pool

---

Our most popular ceremony setting is our beautiful outdoor space, with The Blue Pool providing a spectacular backdrop. Guests are seated on rustic wooden benches as you exchange your vows. Reserved exclusively for your celebration, the space also provides the perfect setting for a relaxed drinks reception surrounded by breath taking views.

## The Nouveau Room

---

For our Micro and Twilight Wedding packages, you can also choose to hold your ceremony in the elegant 1930s style Nouveau Room, with seating for up to 30 guests.

## Wet Weather Option

---

Should the weather take an unexpected turn, your ceremony can be held beneath our stretch tent on the terrace, ensuring you and your guests stay sheltered while enjoying the beautiful surroundings.

# Wedding Breakfast

## The Nouveau Room

---

Our elegant private dining room features stylish décor.

With flexible layouts for up to 32 guests in a horseshoe arrangement or 40 guests with tables to seat 8 on each, couples are welcome to add their own decorations to personalise the space. The room is also ideal for intimate drinks receptions.

## Art Deco Tearooms

---

For our Exclusive Hire Wedding Package, couples can choose to host a formal wedding breakfast across the three elegant rooms of our Art Deco Tearooms. We can work with you to plan your table layout, helping to create the perfect arrangement for your celebration.

## Catering

---

Our catering options include elegant afternoon teas, delicious charcuterie boards and desserts for you and your guests to enjoy. You can choose from our drinks packages or bring your own bottles, subject to a corkage fee.

# Reception

## A Celebration to Remember

---

With exclusive use of the venue from 6pm–11pm, you and your guests can enjoy an unforgettable evening surrounded by the beauty of The Blue Pool. Whether you choose a live band or DJ, guests can flow between the elegant Art Deco Tearooms, woodland spaces and terrace, beautifully illuminated with festoon lighting.

## Art Deco Tearooms

---

Our bar is available with a pay-as-you-go service or a tab arranged in advance. We offer a selection of locally sourced beers, ciders and wines, alongside spirits, and can also stock some of your favourite drinks to add a personal touch.

## Catering

---

Choose from a selection of delicious options, including grazing tables, BBQ and pizzas, alongside desserts. You can also choose to have your wedding cake served following your cake cutting. Alternatively, you're welcome to bring in your own external caterer for a £250 fee.
